

**ACTIVITIES AND SUMMER CAMP**

During the October holiday (1 week in October), Easter holiday (2 weeks in April) and Summer holiday (5 weeks during the summer time - July, August), Park Lane organises Activity days and a Summer Camp at our Prague 5 campus or at our Prague 6 campus.

All activities are for children from Pre-Nursery to Year 2, currently attending any of our school campuses, and also for their non-Park Lane siblings and friends.

The programme starts between 8am and 9am, and finishes between 4pm and 5pm. Park Lane staff leads the programme. Two snacks and a hot lunch is provided each day.

The timetable provided on these days is not curriculum-based, but includes rather fun and relaxing activities for children to enjoy instead. The programme consists of activities, games, music, arts, crafts, cooking and trips around Prague.

During the Summer Camp we go on trips to a jump park, the zoo, the botanical garden, a rope centre, and other fun parks. We offer activities as language courses, archery, climbing, swimming, horse riding, fencing and many more.
